

McKinney National Airport

Food Truck of the Month

Shorty's Corn and Tacos

(In front of McKinney Air Center)

Date: Thursday October 14th

Time: 11:00am-2:00pm

This is a new venture for the airport which we hope will give our tenants, employees, customers, and visitors a convenient lunch option. If it is well received, we may go to once a week. The prices and food menus will vary depending on the food truck.
